

RF 33mm Round Roll Label

The RF 33mm round label delivers dependable performance and merchandise protection using RF technology. The label's small footprint minimizes impact on brand promotion and important product information, allowing application on virtually any package size.

This label is designed for automatic application at the point of manufacturing. When applied to merchandise at the point of manufacturing, retailers receive floor-ready merchandise with consistent label placement to expedite receiving and selling floor fulfillment.

Retailer Values

- // Provides visual deterrence while minimizing impact on brand promotion and important product information
- // Protects merchandise by tagging at the point of manufacturing so merchandise arrives shelf-ready
- // Permits open merchandising while still combatting theft
